

## The Japan Society of Naval Architects and Ocean Engineers Autumn Conference 2022 Agreement (Permission) for Lecture and Participation

The Japan Society of Naval Architects and Ocean Engineers  
Director in charge of lectures  
Lecture Executive Committee

I fully understand the format of the above-mentioned lecture, the method of participation, and the method of presentation, and agree to the following each of matters.

### 1. Agreement matters as a participant

- I agree to the recording and use by the Japan Society of Naval Architects and Ocean Engineers of photographs, recorded video and audio, and related materials and materials, including my portrait rights and copyrights in these materials, at this lecture or through web and other delivery services (online distribution, missed distribution, archived distribution, etc.). I consent to the recording and use by the Japan Society of Naval Architects and Ocean Engineers (JSAO) of the photographs, recorded images and sounds, and related materials and materials, including my portrait rights and copyrights therein.
- I agree to the use of my likeness and name (affiliation) in the video and audio recordings made in person and on the online site for the delivery service.
- I agree that my name, affiliation, and remarks will be recorded during the presentation, question and answer session, and will be used in the delivery service.
- I agree that the above agreement matters have no expiration date.
- I may request the JSME to withdraw the above consent at any time in writing.

## **2. Agreement matters as a presenter**

- In accordance with Article 32 of the Copyright Act, I have confirmed all lecture slides, including those of the speaker and co-authors, to make sure that they do not use the copyrighted works of others without permission.
- I agree not to publish unpublished results, data, or ideas without permission from the owner or copyright holder, as this implicitly constitutes plagiarism as if they were my own original work.
- I agree that I will be fully responsible for any and all problems that may arise that infringe upon the copyrights or interests of others.
- I agree that if any illustrations or other materials contained in the lecture slides or other materials may infringe upon the rights of others, the relevant distribution service will be replaced or deleted after consultation with the Japan Society of Naval Architects and Ocean Engineers.

## **3. Agreement contents as a participant/presenter**

- I will not pass on to any third party any limited information (e.g., URL information to each session) related to this lecture.
- I will not record or film (including screen capture), save, or redistribute the lecture screen.
- I will not allow anyone other than the applicant to view the presentation.
- I will not make my presentation available to anyone other than the applicant.

The Society will not be held responsible for any problems that may arise in connection with the above.

## **4. Agreement matter on the lecture program**

- I agree to a lecture program that takes into account professional academic fields and delivery services.
