Extension for *Call For Papers*

DEADLINES	Abstract Submission (Extended)	Jan. 31, 2018
	Manuscript for Review	Mar. 15, 2018
	Final Manuscript due	Aug. 15, 2018

We seek papers on these subjects (other marine and offshore-related topics are also welcome):

- Advanced Ship Technology
- Arctic Technology
- Ballast Water Treatment
- Cyber Security & Big Data
- Coatings & Corrosion
- Deepwater Technology
- EEDI, Emission & Fuels (LNG, Hydrogen, etc.)
- Education and Training
- Green Technology
- Human Factors
- Hydrodynamics & CFD
- Inspection & Maintenance
- Intelligent Ship Design
- Intelligent Manufacturing
- Intelligent / Autonomous Shipping
- FPSO, FSRU, FLNG
- Marine Engineering
- Marine Regulations
- Marine Security
- Maritime Infrastructure
- Materials
- Monitoring & Measurement
- New Concept Ship Design
- Renewable Energy
- Reducing Complexity
- Risk, Safety & Reliability
- Stability
- Subsea / Pipeline / Risers
- Sustainability
- Underwater Technology
- Vibration & Noise

All authors are invited to submit an abstract in 300-400 words.

Authors Instructions:

- (1) **Authors** are requested to include with their abstract: a) the **subject(s)** (per above list) to which their topic applies, and b) their **technical society affiliation(s)**, if any, per the Congress member societies listed below.
- (2) Completed abstracts should be submitted to SSNAME via email: ssname@ssname.com.cn, marked as “*WMTC18 paper*”, for preliminary review and be peer reviewed by the Session Chair from one of the member societies.
- (3) For **Student Authors**, the abstract should be submitted to SSNAME via email: ssname@ssname.com.cn, marked as “*WMTC18 Student paper*”, for preliminary review and be peer reviewed by Session Chair from one of the member societies.

Notes: The WMTC is held by the World Maritime Technology Congress, comprised of 21 member societies representing marine, offshore and scientific professions from around the world, including:

- AINE (Spain)
- ASNE (USA)
- SOBENA (Brazil)
- CIMarE (Canada)
- CSNAME (China)
- Hong Kong Institute of Engineers (China)
- Institute of Engineers Malaysia (Malaysia)
- DSNAM (Denmark)
- STG (Germany)
- IMarEST (UK)
- IMarE[I] (India)
- JASNAOE (Japan)
- NI (UK)
- TEKNA (Norway)
- RINA (UK)
- NTOS (Russia)
- SSNAME (China)
- SNAK (Korea)
- SNAME (USA)
- SNAMEs (Singapore)
- SUT (UK)
