Marine Innovation  
& Technology

**About the Conference** The 33rd International Conference on Ocean, Offshore and Arctic Engineering (OMAE2014) will be held in San Francisco, CA, June 8-13, 2014. The conference will draw together members of the scientific community, researchers, academia and the ocean engineering industry from around the world. ASME and the OOAE Division of the International Petroleum Technology Institute (IPTI) are organizing the conference, with the local organizers being The University of California at Berkeley and Marine Innovation & Technology, Berkeley, CA. More than 800 technical papers will be presented at the conference in the following symposia:

### Symposia

- SYMP 1 Offshore Technology
- SYMP 2 Structures, Safety and Reliability
- SYMP 3 Materials Technology
- SYMP 4 Pipeline and Riser Technology
- SYMP 5 Ocean Space Utilization
- SYMP 6 Ocean Engineering
- SYMP 7 Polar and Arctic Science and Technology
- SYMP 8 CFD and VIV
- SYMP 9 Ocean Renewable Energy
- SYMP 10 Offshore Geotechnics
- SYMP 11 Petroleum Technology
- SYMP 12 Professor Emeritus J. Randolph Paulling Honoring Symposium

For more information, view the symposia descriptions at website: [OMAE2014.COM](http://OMAE2014.COM). A listing of scientific committee members by symposia will be posted. Industry workshops, outreach for student participants, special sessions and keynote lectures, will also be included in the technical program. National and international companies are expected to sponsor and participate in the conference.

**Abstract Submission** Authors should [submit a 400-word text-only abstract](#) through the OMAE2014 website. For assistance with submitting your abstract online, please view the OMAE2014 [author help manual](#). Abstract deadline is **September 30, 2013**.

**Venue** OMAE2014 will be held at The Palace Hotel, 2 New Montgomery Street, San Francisco, California. Visit [OMAE2014.com](http://OMAE2014.com) for more details on special conference rates.
