The 1st Announcement

and

Call for Papers

Hosted by

Shanghai Society of Naval Architects and Ocean Engineers

1. HISTORY:

Pan Asian Association of Maritime Engineering Societies (PAAMES) was organized to attain the objectives of

- Promoting science and technology in maritime engineering,
- Supporting the development of maritime industry,
- Exchanging scientific information,
- Improving the status of maritime engineers, and
- Enhancing cooperation and collaboration among the member organizations in Asia-Pacific countries and regions.

The 1st PAAMES meeting was held in Shanghai, China from October 26-29, 2004 in conjunction with the 4th New S-Tech Conference. After the conference the International Standing Committee (ISC) of the 1st PAAMES decided to change the name of New-S Tech to Advanced Maritime Engineering Conference (AMEC) in order to widen the scope, and to strengthen the link with PAAMES.

The 2nd PAAMES meeting and AMEC 2006 were held in Cheju National University in Jeju Island, Korea from October 18-20, 2006. The 3rd PAAMES meeting and AMEC 2008 were organized in Makuhari Messe, Chiba, Japan from October 20-22, 2008. The 4th PAAMES meeting and AMEC 2010 took place in National University of Singapore, Singapore from December 6-8, 2010. The 5th PAAMES and AMEC 2012 were hosted in the Evergreen International Convention Center, Taipei, Taiwan from December 10-12, 2012. It has been decided that the 6th PAAMES meeting and AMEC 2014 will be held in Zhejiang Hotel, Hangzhou, China from October 28-30, 2014..

2. SCOPE:

- a) Green Technology Development in Maritime and Ocean Engineering
- b) Research, Development and Technology for New Energy Ships and New Concept Ships
- c) New Technology of Maritime Industry, including Shipboard Machinery
- d) Ship Navigation, Operation and Management
- e) Short Sea Shipping System and Inland Waterway Transportation
- f) Safety and Environment Protection at Sea
- g) Development of Shipping and Shipbuilding Industry
- h) Current Situation and Development of International Regulation
